## **Grumpy frog**

Meet husband-and-wife team Dana Perri and Juan Carlos Casas, who will be on hand at the Greenburgh Nature Center Sunday, Oct. 11, at 2 p.m. to read from their whimsical book “The Grumpy Frog” and do a book signing. They will discuss the story and engage the children in an imagination exercise and other fun activities. Some of the GNC’s resident frogs will be on hand to meet participants. Weather permitting the program will take place on the GNC’s Great Lawn.

Recommended for ages 3-9. The program is included with the price of museum admission.
